## Hunewill Ranch's History

Hunewill Ranch is proud to be the **oldest working guest ranch in California** and **one of the oldest family ranches** in the American West. 2024 will be our **163<sup>rd</sup> year in the Bridgeport Valley** and our **ninety third year** as a Guest Ranch. The fourth, fifth, sixth, and seventh generations of the Hunewill Family still raise cattle and ride with guests through the meadows of this Sierra paradise. The ranch is sheltered under the towering Sawtooth Range that forms the northeastern boundary of Yosemite National Park. The green meadows of Bridgeport Valley have been home to Hunewill Ranch since Napoleon Bonaparte Hunewill first supplied lumber and beef to the mining towns of Aurora, Bodie, and Lundy, in the 1800's. Today guests share in the traditional western heritage of the ranch and enjoy the breathtaking views of the Eastern Sierra from the back of a horse, a chair on their cabin porch, or while strolling down the ranch road on a quiet walk. Plan your next vacation at the scenic and historic Hunewill Ranch!

Our barn, built in the 1880's, is still the place where people gather to ride our great horses. It's the first thing our guests see when they arrive for their much anticipated ranch vacation!

The ringing of the ranch bell calls guests in for delicious home style meals and remains one of the hallmarks of the ranch. The historic ranch house, built in 1880, remains a focal point of the ranch. Generations of guests continue to enjoy meals in its dining room while spending time with their families and making new friends.

Our comfortable cabin rooms each have a queen and a twin bed with private bath and inviting porch. Most of our cabins have two connecting rooms with a privacy door between.

All rooms are non-smoking rooms.

We just left an incredible week at Hunewill Ranch and are already planning a return trip next year. Our family has been to several other ranches which were very luxurious, but felt more like a spa resort next to a ranch, and not a true ranch experience like Hunewill. The wranglers, staff, and family are the most welcoming, friendly, and attentive I've ever experienced. The animals are beautiful, well trained and obviously well cared for...

The days are packed with riding and the nighttime activities like wagon rides, campfire s'mores, and square dance lessons had our family in fits of laughter. After everyone went to bed we would lay in the yard and watch the stars before dragging ourselves to bed for another action packed day. It was truly magical!

Thank you! This was exactly what I had hoped for and more - I will be back!
